

Duo authentication and user portal

See these links and the related knowledge base articles listed below for answers to some common questions:

- [Authenticating with Duo](#) - Documentation on the Advanced Research Computing portal.
- [Duo Device Portal](#) - For changing your device settings and adding new devices. ([A CIT password is required.](#))

If you already use Duo and find yourself locked out, please try again after 10 minutes or call 303-497-2400 for assistance.
